

## PICK-UP INFO: Marco Polo (VCE) – Venice airport (Waterbus / water-taxi)

This document explains the pick-up & meet process for transfers starting from Marco Polo airport in Venice, Italy – from waterbus / water-taxi.

Instructions:

Upon arrival and disembarking from water-taxi / waterbus please check the map on the second page:

Green dashed line shows the direction of leaving the waterbus / water-taxi drop-off. Follow the shore-line, around the corner. There should be a big white tent for COVID-19 testing (underlined with green colour on the map).

The parking few meters further is called »Sosta lunga« or »P4« parking.

Marked also on the map (underlined the name in blue colour). This is our meeting point (two possible spots marked by a yellow star on the map).

When you are on that position, or really close to the parking area, ready to be picked-up please ring / send SMS / call the phone number: +386 41 977 527.

(also available on Whatsapp, to avoid additional costs).

Driver will be there within 2 minutes from the contact. If you don't do that, the driver won't know you are there & ready to go.

The vehicle will be having the **SKV** sign or lead passenger name & surname visible on the front window.

Vehicle: **white Ford van** (SKV logo on the doors) with licence plate **KP AF-915**. If you spot the vehicle please wave ! 😊

Since the parking area is limited to only 10 minutes for free, we really appreciate if you contact the provided number – when you are ready, on the marked area.

If you for any reason have a delay (for any reason), please inform the driver aswell (if possible).

Wish you a pleasant ride with us !
